AFTER SCHOOL CLUBS – Autumn term 2021

Dear Parent/Carers,

During the summer term, we spoke with all children and asked them to choose the clubs they would like to be on offer over the academic year. We have listened carefully to the children's requests and are pleased to be able to offer a variety of clubs. Last year we found that clubs were much more successful when ran as year group clubs. Children enjoyed building relationships with children in their own year group and felt much more confident to engage in the clubs when they were supported by familiar adults from within their year group. We have decided to continue with this model and will start the year by offering 2 clubs per year group however this will increase as we move into the Spring and Summer term once we ensure clubs are running successfully and uptake remains high.

Clubs for the autumn term will start on **Monday 27th September – Thursday 9th December.**

Please find below an outline of the clubs that we are offering and key dates for information.
