Dear Parents/Carers,

Whole school transition morning - Wednesday 9th July

On Wednesday 9th July there will be a whole school transition morning. All children should arrive at their usual classrooms at the normal arrival time of 8:45am. This will allow teachers time to welcome and register children before sending them into their new classes.

Transition morning will be for all pupils Nursery to Year 6. Once in their new classrooms, the children will have the opportunity to meet their new teacher and engage in some Thrive based activities around belonging and identity. This will be a great opportunity for them to get to know their new teacher whilst also sharing information about themselves ahead of September. Our current Year 6's will be busy preparing for their end of year celebrations and will be supported by a number of adults from across school.

If this is not your child's normal Nursery session, please arrive at school for 9:15am at the main gate on Burton Road.

Class lists for next academic year have been finalised after careful consideration from various leaders in school. If there are any changes for you to be aware of, staff will communicate this with you on an individual basis over the next couple of days. Decisions around class changes are done with children's best interests at heart and will be communicated with children prior to the transition morning.

The teaching team has also been finalised for next academic year and can be found below:
