Hunslet Moor Primary School Newsletter Friday 9th January 2026

Dear Parents/Carers,

It has been lovely to welcome the children back from the holiday. We have had another busy week in school with lots of exciting things happening. Just a reminder about celebrating birthdays in school and if you do want to bring in cakes or goodies to share with the children we are now following new health and safety guidance. This means we are only able to accept food in sealed packaging with the ingredients listed. We are also unable to accept any food that says 'may contain nuts', this is to protect the children in school with allergies. Thank you for your support with this matter.

Behaviour Focus - Taking responsibility for our own actions
Showing respect through our actions and words."

Children are learning how their words and actions affect learning, friendships, and their own self-worth. We are encouraging kind language, respectful behaviour, and making positive choices.

Thrive Activities for Home

Feelings Check-In:

Ask your child to show how they are feeling using a colour, number, or face instead of words.

This week at Hunslet Moor...

Year 6 have started their new geography topic based on Japan. As part of this, all children took part in a sushi making activity.

In some of our Thrive groups this week the children have been making dream catchers. They have also been using the shaving foam as part of a sensory activity to show how they are feeling through movements.
