Hunslet Moor Primary School Newsletter Friday 23rd January 2026

Dear Parents/Carers,

We have had another busy week in school with lots of exciting things happening. Just a reminder about celebrating birthdays in school and if you do want to bring in cakes or goodies to share with the children we are now following new health and safety guidance. This means we are only able to accept food in sealed packaging with the ingredients listed. We are also unable to accept any food that says 'may contain nuts', this is to protect the children in school with allergies. Thank you for your support with this matter.

Behaviour Focus - During the Summer term, parents and carers have been really helpful in sharing their thoughts linked to our Behaviour Policy, and we have acted on a number of your ideas and suggestions.

We would like to build on this by asking parents and carers to complete a short questionnaire. This will be available via ClassDojo and QR code displayed around school during parent consultation.

We really value your views and welcome your feedback.

We will also be holding a drop-in during Parents' Evening, where you can view photos, policy updates, planning, and the resources we use in school to support behaviour and Thrive.

Please pop along and have a look.

This week at Hunslet Moor...

In computing in 3B the children created their own animation by drawing step by step pictures on a whiteboard then taking photos on an iPad and swiping through.

Nursery had a special visitor, Mrs Rayner our school crossing patrol lady and she talked to them all about road safety.

There has also been some fantastic writing in the Welcome Room, well done!
