Hunslet Moor Primary School Newsletter Friday 30th January 2026

Dear Parents/Carers,

We have had another busy week in school with lots of exciting things happening. Just a reminder about celebrating birthdays in school and if you do want to bring in cakes or goodies to share with the children we are now following new health and safety guidance. This means we are only able to accept food in sealed packaging with the ingredients listed. We are also unable to accept any food that says 'may contain nuts', this is to protect the children in school with allergies. Thank you for your support with this matter.

Behaviour Focus - Thank you to everyone who completed the behaviour questionnaire. We appreciate your input and will be sharing feedback from this over the next few weeks.

Thrive Approach - Explained for Parents

Thrive is a way to help children feel safe, understood, and confident. It focuses on supporting their emotional development, helping them manage feelings, build positive relationships, and cope with challenges. By understanding a child's emotional needs, Thrive activities give adults practical ways to connect, nurture, and encourage child's emotional growth.

This week at Hunslet Moor...

Year 2 went to Thackray Medical museum where they learnt all about the nurse Florence Nightingale. The children were able to look around the museum at different artefact and participated in a workshop which was led by Florence herself!

Year 5 have enjoyed Bikeability.

The boys from year 6 took part in a football tournament hosted by Leeds United last night!

We won 4 out of 5 league games and unfortunately lost in the semi-final 1-0.
