Hunslet Moor Primary School Newsletter

Thursday 2nd April 2026

Dear Parents and Carers,

It has been a busy week at Hunslet Moor. The community support officers came and delivered an assembly to Year 1 and 2. They shared important messages to help us understand bullying, how we can keep ourselves as we grow older and become more independent and how we can seek support from trusted adults. The DREMAS ambassadors and DREAMS team winners had their rewards. Year 4 had a visit to the local library and Year 3 welcomed a guest speaker who talked about aspects of the Sikh faith. Year 1 enjoyed a Lego workshop. Today is our last day of the term. Thank you for all your support this term. A reminder: if your child has any medication in school, please collect it in person at the end of the day.

School opens on Monday 20th April 2026 at 08:45.

Behaviour Focus –Taking Responsibility for Our Actions

Our behaviour focus is on helping children take responsibility for their own actions. Over the summer term, we will continue to support this through reflective conversations, helping children understand the impact of their choices on others and recognise their own feelings. Understanding feelings may affect their ability to make safe and respectful choices, and sometimes children will need support to do so. By learning strategies to make safe and respectful decisions, children will develop greater self-awareness and independence.

Congratulations to these term's DREAM Team winners from the Green Team, who earned the most Dojo

Thrive at Home

As a Thrive activity, children can celebrate themselves at home by writing or drawing three things they are proud of from this term."
