 We wish our children in Year 6 well with the papers they will sit.

Just a reminder that the SATS breakfast club is open next week for the Year 6 children.

Behaviour Focus –Taking Responsibility for Our Actions

Behaviour Focus

Our behaviour approach focuses on helping children take responsibility for their actions and understand the impact of their words. We are aware that some children may repeat racist or inappropriate language they have heard in music, videos, online, or from others without fully understanding the meaning or harm it can cause. When this happens, we speak with children about why this language is unacceptable and help them understand that words have consequences and can affect others deeply. Our aim is to support respectful communication, empathy, and positive choice.

Thrive Home Activity – “Words Have Power”

Talk with your child about words they hear online, in music, or from others. Discuss how some words can hurt people, even if others use them.
