Important Health Information - Precautionary Notice

Dear Parents and Carers,

We are writing to inform you that we have been made aware a child in school **may** have mumps. At this stage, the case remains unconfirmed and the child is absent from school; however, we feel it is important to keep all families informed as a precautionary measure.

In line with current health and safety guidance, the school has already carried out a thorough deep clean of all relevant areas and will continue to follow advice provided.

This also serves as a reminder of the importance of ensuring your child's vaccinations are up to date, including the MMR (measles, mumps and rubella) vaccine, which offers protection against mumps. For further information about the MMR vaccine, please visit the NHS website:

<https://www.nhs.uk/vaccinations/mmr-vaccine/>

Thank you for your continued support and cooperation.

Yours sincerely,

Mrs Strafford

Deputy Headteacher.

Designated Safeguarding Lead & Mental Health Lead - Mrs M Lee  
Deputy Designated Safeguarding Leads Mrs K Dellow and Mrs L Hemingway
