Dear Parent/Carer,

Key Stage 2 (KS2) Test Results – National Delay

I am writing to inform you know about a delay to this year's Key Stage 2 (KS2) test results, which affects all schools nationally.

Schools were due to receive results on **Tuesday 7th July 2026**. However, Pearson Education Limited, the provider responsible for administering, marking and returning Key Stage 2 results to schools, has informed the Department for Education of a delay affecting the national system used to make results available to schools. As a result, schools will now receive the results on **Thursday 16th July 2026**.

We appreciate that this news may be disappointing and share your frustration, particularly at a time when our Year 6 pupils are celebrating the end of their primary school journey. While this delay is outside the school's control, we want to reassure you that it will not detract from recognising and celebrating all that the children have achieved this year.

Importantly, the delay is **not** related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked in line with the usual national processes.

The delay will **not** affect your child's transition to secondary school, and no action is required from parents or pupils. **We will share your child's results with you as soon as possible after we receive them on Thursday 16th July 2026.**

Thank you for your patience and understanding. If you have any questions, please contact the school office.

Yours sincerely,

Mr Hall
