Dear Parent /Carer,

As you may be aware we have had several cases of chickenpox in school across all year groups in recent weeks.

As advised by the NHS for this common childhood virus, anyone with chickenpox is advised to stay at home from the first spot appearing until all of the blisters have scabbed over and are no longer weeping. This can usually take between 5 to 7 days.

If your child has chickenpox and you have any concerns please contact your GP.

As always, if your child is absent from school please inform school as soon as possible.

Thank you for your support.

Miss H Darley and Mr S Crawford.

*The designated Child Protection Officers of the school are Mrs K Kassabian, Miss H Darley, Mr S Crawford, Miss S Harker, Miss H Simpson, Miss L Bolger, Mrs F May and Mrs D Graham*
