Friday 29th April 2022

Dear Parents & Carers,

YEAR 6 SATS ARRANGEMENTS– Week beginning Monday 9th May 2022
Parents Briefing Friday 6th May 9am

Our Year 6 pupils will be sitting their Standard Assessment Tests (SATS) very soon. These will take place on the mornings of **Monday 9th – Thursday 12th May 2022**. Children will sit the assessments in class and then will continue lessons as normal once tests are completed. We have conducted many mock practice assessments with the children this year and they know what to expect. Please see an overview of the week below.

Free SATs Breakfast for every pupil in Year 6

We would like all of Year 6 to join us for a **healthy and nutritious breakfast each morning (Mon-Thur) from 8.15am**. The breakfast is free and provides an opportunity for children to have time together relaxing and chatting before their assessments. In previous years, the breakfast has proven really popular and ensures that children are best prepared for their assessments.

The designated Child Protection Officers of the school are Mrs K Kassabian, Miss H Darley, Mr S Crawford, Miss S Harker, Miss H Simpson, Miss L Bolger, Mrs F May and Mrs D Graham

Please can we ask for support in making sure children attend this breakfast and that all Year 6 pupils are in school by 8.15 Monday-Thursday during SATs week.

If any child is not in school by 8.30am we will telephone to check.

What to bring?

Your child does not need to bring anything extra into school, all equipment will be provided.

How can we best prepare?

Please ensure that over the next week, particularly over the weekend before SATs week and during test week that your child has:

- **Plenty of sleep** – please make sure they go to **bed early** (especially on the Sunday and then each evening in the week) and ensure they are not playing on computers or watching television instead of sleeping!
- **Plenty of healthy food** – vegetables and fruit – this will ensure their bodies and brains are full of slow releasing energy to help them in the tests.
- **Plenty of fresh air and exercise** – there are clear scientific links between exercise, sleep and improved concentration and performance in tests

When will we find out the results?

Test papers are sent away for marking and results will be returned to school in July. We will be able to share results with you shortly after that.

Parents briefing – Friday 6th May 9AM

In order to answer any questions you may have about SATs and to go over these key messages in person, I will be holding a short briefing for Year 6 parents next Friday 6th May at 9am. Please arrive through the main school office where you will be taken to the hall for the briefing.

If you have any questions and cannot make the briefing but would like to discuss anything to do with our Year 6 SATs, please make an appointment at our main school office and the Year 6 team would be more than happy to meet with you.

Yours Faithfully,

Ms Burdett
 Head of Year 6
 6B class teacher
