

Autumn 2 Year 5

Geography

Bustling Brazil

This term, Year 5 will be exploring a topic called Bustling Brazil answering the question 'What is life like in the Amazon?'

We will be exploring where Brazil is located in our world and its regions. We will look at the features and landscapes of the Amazon Rainforest and looking at the effects of deforestation and urbanisation in Brazil. The term we are having a Bustling Brazil day on 20th November 2023 where we will learn more about the Brazilian flag, creating masks for a parade and learning the samba.

Maths

The topics we will study this half term are Multiplication and Division Fractions

It is important that the children know their times tables up 12x12 and the related division facts.

Websites to support this at home are:

<https://www.topmarks.co.uk/maths->

PE

Year 5A

Tuesdays—Swimming
Friday—Tennis

Year 5B

Monday—Tennis
Friday—Gymnastics

Home learning

It will be set each Friday and needs to be returned Thursday.

It will include
Learning spellings
A grammar activity
TTRS

PSHE

PSHE is thread through our curriculum and a core part of our school ethos. This term we will focus upon Celebrating Me.

Reading

Reading is a priority at Hunslet Moor and we encourage children to read as regularly as possible as this supports them with the wider curriculum.

Please try to listen to your child read as often as possible and encourage your child to read every evening for at least 10 minutes.

If you have any books that belong to school, please support us by bringing them in.

We will be using Class Dojo to record our reading at home. When your child reads at home, please send a message or add it to your child's portfolio.

DT

We have a food technology topic—Greek Cuisine

We will be tasting Greek food, learning techniques for cooking such as kneading. We will be designing our own recipe for our products and making these in our lesson using the skills and health and safety we have learnt. The food we are making are Greek Salads and Greek flatbread!

Science

Out of this world
We learn facts about the planets, describe their movements in relation to others, why we have day and night and the phases of the moon

If you have any questions, concerns or want to discuss any aspect of your child's learning, please phone the school office and arrange a telephone conversation to speak with a member of the Year 5 team.

5A: Mrs Esteves

5B: Miss Tointon

We are also supported by Mrs Sidhu, Mrs Robertson, Mrs Sturdy, Miss Dutton and Mrs Preece

Attendance

Thank You

for sending your child to school every day and **arriving on time** so that we are all ready to begin the day's learning.

Lets win the termly attendance award
